

**ACCOUNTING ACADEMIC MAP: DEGREE BBA (120 CREDIT HOURS)**

This degree map is a semester-by-semester sample course schedule for students majoring in **Accounting**. The milestones listed to the right of each semester are designed to keep a student on track to graduate in four years. The schedule serves as a general guideline to help build a full schedule each semester. Milestones are courses and special requirements necessary for timely progress to complete a major. When one or more milestones are missed, students should consult with an academic advisor to determine if another degree path would be more suitable.

As a student in the College of Business (COB), you are expected to maintain a minimum cumulative grade point average (GPA) of 2.00. Accounting majors may not have any “D”s in the major field. Students who incur a probationary status are to repeat failed courses, or courses in which ‘D’s were earned, during the semester immediately following that in which the grades were earned. The College has a special program to assist students who are on probation. Please contact the Academic Coordinator for details.

To enroll in upper level (3000 and 4000 numbered courses) business classes, students must meet the following requirements: (a) Complete 6 credit hours of lower division requirements; (b) Earn a “C” or better in both English 1010 and English 1020; (c) Have a 2.00 GPA or better in lower division courses; and (d) The following business courses must be completed: MGMT 1010, ECON 1010, ECON 2040, and ACCT 2010. For more information concerning policies and practices in the COB, see [the College of Business Student Handbook](#) or the [University Catalog](#).
