

**BUSINESS ADMINISTRATION, CONCENTRATION-GENERAL BUSINESS ACADEMIC MAP:
DEGREE BBA (120 CREDIT HOURS)**

This degree map is a semester-by-semester sample course schedule for students majoring in **Business Administration with a concentration in General Business**. The milestones listed to the right of each semester are designed to keep a student on track to graduate in four years. The schedule serves as a general guideline to help build a full schedule each semester. Milestones are courses and special requirements necessary for timely progress to complete a major. When one or more milestones are missed, students should consult with an academic advisor to determine if another degree path would be more suitable.

This concentration is designed for students who prefer to acquire broad undergraduate training in business, rather than specializing in a specific area. Opportunities for career advancements exist for experienced individuals with varied work exposures in all areas of business including---but not limited to--- management, human resources, finance, economics, accounting and business information systems. Students choose courses that emphasize their specific work areas of interest in business or that correlate to their years of prior work experience before completing their degrees in General Business. Their educational preparation is flexibly designed to meet students' intended work emphasis.

Business majors must maintain an overall TSU Cumulative GPA of at least 2.0.-A GPA of at least 2.0 in the upper division business core, and a GPA of at least 2.0 in the ten courses (30 credit hours) being used to satisfy the major field plus upper division business elective course requirements. All business majors, except Accounting may not have more than 2 "D" in the ten (10) courses used to satisfy the major.

To enroll in upper level (3000 and 4000 numbered courses) business classes, students must meet the following requirements: (a) Complete 60 credit hours of lower division requirements; (b) Have a 2.00 GPA or better in lower division courses; and (c) complete the following business courses: MGMT 1010, ECON 1010, ECON 2040, and ACCT 2010.
