

**CRIMINAL JUSTICE ACADEMIC MAP: DEGREE BS (120 CREDIT HOURS)**

This degree map is a semester---by---semester sample course schedule for students majoring in **Criminal Justice**. The milestones listed to the right of each semester are designed to keep you on track to graduate in four years. The

schedule serves as a general guideline to help build a full schedule each semester. Milestones are courses and special requirements necessary for timely progress to complete a major. When one or more milestones are missed, students should consult with an academic advisor to determine if another degree path would be more suitable.

The Department of Criminal Justice offers a wide range of courses focusing on all aspects of the criminal justice system, with a special emphasis on corrections. Courses prescribed in the areas of Psychology and Sociology provides students with a broad background in the social sciences, and it is an excellent pre---law major. Students may earn a minor in Psychology by completing PSYC 2010 and 18 additional credit hours of 3000---4000 level courses. Note that Criminal Justice majors are required to enroll in PSYC 2010 during the 3<sup>rd</sup> semester of matriculation (see below). Where designated, students may enroll in upper division courses in any discipline; however, the Department recommends taking upper division electives in Psychology and Sociology.

Students in the Department of Criminal Justice are expected to maintain a minimum grade point average (GPA) of 2.0. The major core of courses consists of 45 semester hours of Criminal Justice course work with at least 33 credit hours being taken at the 3000 – 4000 level; an additional 15 credit hours at the 3000 and 4000 level should be criminal justice upper division electives. To enroll in **upper division** Criminal Justice courses/electives (**3000---4000 numbered courses**), students must meet the following requirements: (a) complete the Lower Division criminal justice classes (CRMJ 2000, 2010, 2020 and 2030) with a minimum grade of “C” and have a GPA of 2.0 or better. Criminal Justice majors may not have “Ds” in the major field. If probationary status is incurred, students are expected to repeat failed courses, or courses in which “Ds” are earned. The Department has a special program to assist students who are on probation. Please contact the Department Chair for details.

Tennessee State University recognizes that students have diverse learning, life, and professional experiences. For example, in the Department of Criminal Justice, police and/or correctional officers who have completed basic training at city or state academies receive credit for the Senior Practicum (CRMJ 4000) by registering for it and completing a research paper.

The University provides opportunities for students to earn college credit toward the degree through a number of assessment options that evaluate their learning experiences. These paths are grouped under the category “Prior Learning Assessment” (PLA). Various means of earning PLA credit at TSU are the following: Advanced Placement Program, American Council of Education (ACE) Military Credit, College Level Exam Program (CLEP), DSST Credit by Examination Program (includes DANTES Examination), Institutional Course Challenge Exams (Departmental Exams), International Baccalaureate Credit, Other Military Service, Portfolio Assessment. To learn more about PLA contact your academic advisor or the Office of Student Support Services for Adult and Distance Learners at (615) 963---7001 or [adultstudentsupport@tnstate.edu](mailto:adultstudentsupport@tnstate.edu).

**Employment Information:**

At the undergraduate level, the criminology/criminal justice major prepares students for employment in a wide variety of criminal justice agencies under local, state and federal jurisdictions as well as the private sector. All students are required to complete 320 hours of internship that prepares them for career placement upon graduation. This major can also serve as a foundation for graduate study in criminology, law, social work, sociology, psychology, and government including public administration. At the graduate level, the criminology/criminal justice major leads primarily to teaching and research positions with colleges and universities, and secondarily to upper-level administrative positions in the field of criminal justice and in research departments attached to various criminal and juvenile justice agencies.

**Representative Job Titles Related to this Major:**

Law Enforcement Officer, Youth Counselor (state level or private agency), Probation Officer, Parole Officer (adult or juvenile setting), Correctional Counselor, Prison Case Manager, Administrator (criminal/juvenile justice agencies), Consumer Safety Officer, Correctional Officer, Private Investigator, Private/Corporate Security Officer/Director, Air Marshal, Legislative Analyst.

**Representative Employers:**

Juvenile justice agencies (state, local, private), probation and parole offices, U.S. Department of Justice, state and local correctional institutions, U.S. Customs, Immigration/Border Patrol, local police and sheriff departments, colleges and universities, private detective agencies, business and industry, private correctional corporations, legislative branch of state government, Central Intelligence Agency, Federal Bureau of Investigation.

**International study is available for all TSU students and may include opportunities for internships or taking course work towards various minors.** International study may have an impact on the academic map; therefore, it is important to consult with the academic advisor for this major before participating in an international program opportunity. Students interested in study abroad opportunities should contact the Office of International Programs and consult with their academic advisor.
