

The University has received the PRELIMINARY REPORT of the SACS Off-Site Reaffirmation Committee, and the report is available for campus review. We are in the process of responding to each of the recommendations in the report and will submit a Focused Report to the Commission on Colleges by early February, 2010. The On-Site Reaffirmation Committee will be on campus March 23-25.

All of the findings of the Off-Site Committee concern issues which the University is already in the process of addressing.

Campus constituents can view the Preliminary Report by logging on to MyTSU and choosing the SACS Accreditation tab along the top. Related documents available at the same location include the matrix which outlines the University's plan for responding to each finding and the Tennessee State University Assessment Plan developed in response to the finding in section 2.5. Planning and Assessment.

Questions or concerns can be addressed to Dr. Kathleen McEnerney, Interim Vice President for Academic Affairs (kmcenerney@tnstate.edu), or Dr. Timothy Quain, Accreditation Liaison Officer (tquain@tnstate.edu).
