Frequently Asked Questions

What skills are included in tryouts for the Sophisticated Ladies?

Dancers auditioning for our team perform a set of technical skills as part of the tryout. The skill list includes: double and triple pirouettes, leaps on the right and left (split leaps, leaps in second, and switch leaps); fouette turns, fouette turns a la seconde, calypso, C jump, and toe-touch. Other dance skills may be changed or added. We will detail and review skills at the clinic.

Can I tryout more than once?

Yes! There is no limit to the number of times you can tryout for our team.

How many spots are there on the dance line?

As we are a growing program, we do not have a set number of dancers. We set our team based upon audition score breaks. The number of new members each year will depend upon graduating seniors and overall talent level of the audition pool. Our team usually ranges between 15 and 18 dancers, but could be larger or smaller.

Does the Dance Line hold clinics and give technique classes?

Yes. We offer a technique clinic once a month prior to the tryout process to help prepare perspective members for the audition. Each clinic costs \$10 and you can sign up in the band office located in the Performing Arts Center.

Schedule and Expectations**Practices:**

During the academic year, we will typically practice 4-5 days per week for 2-4 hours. Practices begin the first week of classes and end January. Practices increase and may be held on weekends in the time before major national events the band may be invited to attend, working with our choreographer, trainer etc. The team is required to return early to campus in July/August for band camp and remain on campus until school starts. The team also maintains a required conditioning program with our trainer 4 days per week.

Football Season:

We perform at all home and away football games (in addition to practices and other special performances during the fall and spring semester). Football game season typically begins the first week in September.

Attendance:

University classes and class related functions are considered the only excused absences from practice. Attendance is mandatory for all band and team functions.

Academic Expectations:

The Aristocrat of Bands believes that academics come first. Other than classes, the Dance Team is expected to be the first priority of every member (i.e. over jobs or other extra-curricular activities). All Dance Team members must maintain a 2.0 cumulative GPA to be part of the team.

Approximate Monetary Costs/Fundraising:

The Sophisticated Ladies Dance Line is funded by the Aristocrat of Bands. Although there are some out of pocket expenses each member is responsible for i.e. shoes, boots, warmup, shorts, shirts, bag, sweatshirts, etc. These payments are due at the beginning of the season to cover all team apparel.

What are we looking for?

Talent, Potential, Dedication, Enthusiasm, positive attitudes and HEART! We look forward to seeing you at our auditions and creating another amazing team for 2014-2015!
