

## Introduction

Tennessee State University is proud to introduce our new Mobile App. The app is free and downloads are available for both Android and iOS devices. While some features are intended for students (*currently **My Grades**, **My Courses** and **My Notifications***), faculty, staff and other members of the TSU Community will find some of the other links, including **Campus Information**, **Tiger Athletics** and **Social Media**, a great way to keep up with what's going on at TSU.

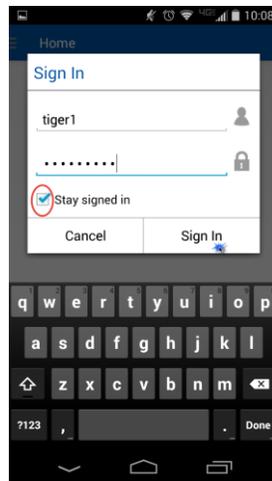

## Using the TSU Mobile

### Open the App and Sign In

To launch to app, touch the on the TSU Mobile Link icon  on your device.

Click the **Sign In** link at the bottom of the screen

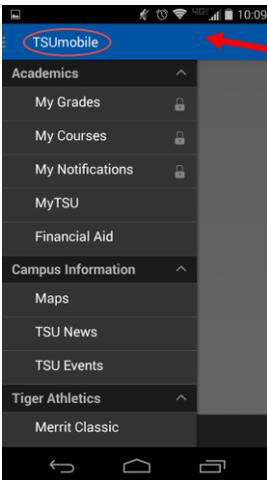

Sign in with your **TSU Network Username and Password**

- Check the **Stay Signed in checkbox** if you want the app to remember you
- Click **Sign In**
