

Vita: Gerald P. Marquis

I. Academic Position

Current Rank:	Professor
Department:	Business Information Systems
Area of Teaching Responsibilities:	Computer Information Systems

II. Academic and Professional Experience

Degrees:

(A) BACHELORS DEGREE:

Name of degree:	BS
Year conferred:	1964
Degree granting institution:	Wayne State University
Major Field of study:	Mathematics Education

(B) MASTERS OR PROFESSIONAL DEGREE:

Name of degree:	ME
Year conferred:	1968
Degree-granting institution:	Wayne State University
Major Field of study:	Mathematics Education

Name of degree:	MBA
Year conferred:	1990
Degree-granting institution:	Wayne State University
Major Field of study:	Information Systems

(C) DOCTORAL DEGREE:

Name of degree:	PhD
Year conferred:	1997
Degree-granting institution:	Texas Tech University
Major Field of study:	Management Information Systems
Minor field of study:	POM

(D) CERTIFICATIONS:

Certificate in Data Processing, issued from the Institute for Certification of Computer Professionals

III. Business and Professional Experience

1. Professor, Business Information Systems, Tennessee State University, Nashville, Tennessee, August 2013 to present.
2. Associate Professor, Business Information Systems, Tennessee State University, Nashville, Tennessee, August 2003 to August 2013.
3. Assistant Professor, Business Information Systems, Tennessee State University, Nashville, Tennessee, August 1998 to August 2003.
4. Associate Professor, Computer Information systems, High Point University, High Point, North Carolina, June 1997 to May 1998.
5. Teaching Assistant, Area of Information Systems and Quantitative Sciences, Texas Tech University, Lubbock, Texas, August 1992 to May 1997.
6. Chairman, Computer Information Systems and Quantitative Methods Department, Walsh College, Troy, Michigan, May 1987 to July 1992.
7. Associate Professor, Computer Information Systems, Walsh College, August 1987 to July 1992.
8. Assistant Professor, Computer Information Systems, Walsh College, August 1982 to August 1987.
9. Adjunct Assistant Professor, Quantitative Methods Department, Walsh College, May 1980 to August 1982.
10. Project Manager, Federal Mogul Corp., Southfield, Michigan, March 1980 to August 1982.
11. Project Leader, Oxy Metal Industries, Warren, Michigan, March 1976 to March 1980.
12. Manager of Data Processing, National Bank of Southfield, Southfield, Michigan, January 1975 to March 1976.
