Cardio-Respiratory Care Sciences  
Bachelor of Science Degree

Suggested Plan II

\*All associate level transfer students who satisfactorily complete 2 years of college are required to enroll in CRCS courses outlined in the junior and senior years as outlined in Plan I.

\*Transfer credits may be given for all equivalent courses taken at the associate degree level. Transfer students should contact the CRCS department for policy details. Transfer students must take all the remaining general education and science courses not taken at the associate level to fulfill the course requirements as outlined in Plan I.

ACCCREDITATION

The cardio-Respiratory Care Sciences Program is accredited by the Commission on Accreditation for Respiratory Care.
