23. What is the best thing the instructor did to help you learn, and what should the instructor improve in this course?

- Awesome instructor! Dr Vercruyssen is very knowledgeable with the drugs associated with pharmacology. He made the course fun and easy. He is very timely with the return of test. He loves what he does and is concerned with his students success and knowledge of pharmacological terms. He also provides you with the semesters lecture notes which makes it easy as to what to study for in up and coming test. I totally recommend Dr Vercruyssen! (CHEM-2500-01-81451-Fall2012-VercruyssenKoen)

Please respond to the following questions:

23. What is the best thing the instructor did to help you learn, and what should the instructor improve in this course?

- Showed us how to remember drug names. Homework assignments. (CHEM-2500-01-81222-Fall2015-VercruyssenKoen)
- Great teacher. Strong knowledge base. Good energy when delivering lecture. Story time was the best. We were interested the whole semester. (CHEM-2500-01-81222-Fall2015-VercruyssenKoen)
- Tailored the course to dental hygiene students and what we need to know for our profession which was greatly appreciated. (CHEM-2500-01-81222-Fall2015-VercruyssenKoen)
- He made his own handbook of notes for each chapter in the book making it easier for the students to understand the main ideas in each chapter. (CHEM-2500-01-81222-Fall2015-VercruyssenKoen)
- I loved Dr. Vercruyssen's lectures, they were always interesting and his attitude is so positive and energetic that you get sucked in everytime. I love his study packet to go with his powerpoints and his lecture in class, the packets help you stay organized and provide a great study tool to supplement the textbook readings. I got As and Bs on every test thanks to effective teaching methods. No suggestions, the course is great as it is. Don't change anything (CHEM-2500-01-81222-Fall2015-VercruyssenKoen)
- Drawings to help us visualize what's going on. (CHEM-2500-01-81222-Fall2015-VercruyssenKoen)
- review day (CHEM-2500-01-81222-Fall2015-VercruyssenKoen)
- He is very knowledgeable and I think he is one of those teachers at TSU that knows how to teach. His class is interesting. (CHEM-2500-01-81222-Fall2015-VercruyssenKoen)
- Be available after class (in person or by email) to answer any questions that I might have. His method of instruction was straight to the point as well. No requirements to shuffle through mountains of information trying to understand the course material. (CHEM-2500-01-81222-Fall2015-VercruyssenKoen)
- Simply amazing!!! You are a WONDERFUL teacher! I wish more of my instructors were like you! It was a privilege to be in your pharmacology course. (CHEM-2500-01-81222-Fall2015-VercruyssenKoen)
- The study guide was the best thing for this course (CHEM-2500-01-81222-Fall2015-VercruyssenKoen)

- He has been by far my favorite instructor in my 4 years here at TSU. He's very knowledgeable about the subject matter and also very well organized—which is GREAT in a professor. Compared to all the dental hygiene course I was taking this semester, his class was like an escape from all the

madness in this program. Dr. V is just one of those professor where you look forward to coming to his class, and that alone says a lot! (CHEM-2500-01-81222-Fall2015-VercruysseKoen)

- He gave real life examples (CHEM-2500-01-81222-Fall2015-VercruysseKoen)
- I very much enjoyed the personal stories that added to the text work, it definitely helped us to remember the material and put in a personal touch. (CHEM-2500-01-81222-Fall2015-VercruysseKoen)
- This course was very interesting and I enjoy Dr. V's style of teaching. You can tell he is very knowledgeable of the content and enjoyed sharing that knowledge with others. The best part of the class was when he would say, ' take out your popcorn ladies and gentleman' then share an interesting story about the history of some pharmaceutical company or medication we were learning about in class. I like how the class followed the syllabus. (CHEM-2500-01-81222-Fall2015-VercruysseKoen)
- Good teacher! (CHEM-2500-01-81222-Fall2015-VercruysseKoen)
- The instructor provided valuable information to learn and understand it. (CHEM-2500-01-81222-Fall2015-VercruysseKoen)

Please respond to the following questions:

23. What is the best thing the instructor did to help you learn, and what should the instructor improve in this course?
