How to Hide the Java Message When Logging Into Banner 8

The following screen shot shows the four levels of control available. See the Mixed code heading towards the bottom of the Java Control Panel.

To stop the Java message when logging into Banner 8, do the following:

1. To access the Java Control Panel go to Start menu  
2. Control Panel
3. Java
4. Advanced
5. Miscellaneous
6. Choose “Enable – hide warning and run with protections”
