BANNER TIPS AND TRICKS

Productivity Tip

Have you ever wondered if there was an easier and quicker way to log into Banner whether on or off campus?

Logging In/Out

Enter login information all on one line when logging into Banner.

For example:

Username: rsmith/yourpassword

instead of

Username: rsmith

Password: yourpassword

Note:

If you enter your password in the **Username** field along with your name, your password will be visible during the login process.
