| | PRST 5998 | R52 | Professional Project | Rogers | ONLINE | ONLINE |

REGISTERING for MPS courses (PRST prefix): To find the PRST courses in the TSU online class schedule, you have to choose the subject Interdisciplinary Studies (RODP) first. It doesn't make sense, but that is what it is "filed" under.
 Info on MPS Courses: <http://www.rodpc.org/degree-programs-courses/masters/master-professional-studies/course-rotation>
 Entrance page to the online classes when you are actually starting coursework: <https://elearn.rodpc.org/>

NOTE THIS IS A DIFFERENT SITE THAN TSU'S ELEARN SYSTEM!

PRST courses are in the MPS program. WITH PERMISSION FROM ADVISOR, we sometimes allow MPA students to take specific MPS courses as substitutes for MPA courses. But MPA students should only register for one of these if your advisor has given you permission to do so in advance. Not all MPS courses are accepted as substitutes, and if you take one without permission, there is no guarantee that it will be counted towards your MPA!

PRST courses are completely online, and are offered through the Regents Online Campus Collaborative system which brings together the faculty of all six TBR Universities to offer online courses and programs (ROCC, formerly known as RODP). The tuition for an ROCC course may be different than a TSU course but class size is usually smaller - you should check tuition rates online for a given semester. Be aware that the class start date might be slightly different than TSU, it is your responsibility to check on this and be sure that you log into the class promptly when it starts. ROCC judges attendance by your logging in, and so they may drop you for non-attendance if you don't check in promptly. You may have a TSU faculty member teaching your course, but it may be a faculty member from another TBR school. You will likely be "in class" with students from other TBR institutions as well as TSU.

Do not register for any independent study, independent readings, dissertation research or internship credits without consulting with the instructor to make sure you are eligible. MPA students may not register for PhD coursework.
