***2+2 Bachelor's Degree Program\****

## **Columbia State Community College and Tennessee State University Partnership**

Columbia State and Tennessee State University (TSU) have teamed up to provide Associate's Degree students the opportunity to complete the TSU Criminal Justice Bachelor's Degree directly from Columbia State campus in Columbia, TN rather than on the TSU campus in Nashville, TN. In cooperation with the Tennessee Board of Regents, students complete the General Transfer A.S. (or A.A.) Degree with a Criminal Justice emphasis through Columbia State and then "transfer" to TSU for completion of the B.S. (or B.A.) Degree (see reverse side for program requirements).

## **Quality Education and Student Advisement**

By offering all courses through Columbia State, students can maintain their local residences, continue to work, and avoid the anxiety and hassle of relocation. TSU provides the same high value, affordable, educational experience and main campus quality instruction in traditional classroom, online, and hybrid formats. In addition, students receive individual assistance and advisement via a TSU Off-Campus Program Coordinator and Off-Campus Counselor, who strive to ensure the students enjoy all of the benefits of the TSU Criminal Justice Program, *but from a distance*.
