

Criminal Justice

2+2 Bachelor's Degree Program

Motlow State Community College and Tennessee State University Partnership

Motlow State and Tennessee State University (TSU) have established a program to provide Motlow's Associate's Degree students the opportunity to complete the TSU Criminal Justice Bachelor's Degree directly from the Motlow State campus in Tullahoma, TN rather than on the TSU campus in Nashville, TN. In cooperation with the Tennessee Board of Regents, students complete the Criminal Justice Associate's Degree and then "transfer" to TSU for completion of the B.S. (or B.A.) Degree (see reverse side for program requirements).

Quality Education and Student Advisement

By offering all courses through Motlow State, students can maintain their local residences, continue to work, and avoid the anxiety and hassle of relocation. TSU provides the same high value, affordable, educational experience and main campus quality instruction in traditional classroom, online, and hybrid formats. In addition, students receive individual assistance and advisement via a TSU Off-Campus Program Coordinator and Off-Campus Counselor, who strive to ensure the students enjoy all of the benefits of the TSU Criminal Justice Program, *but from a distance*.
