Confidentiality Statement/Agreement

The Office of Disability Services (ODS) is responsible for receiving and maintaining disability-related documentation and information for students with disabilities at Tennessee State University. All documentation in the student's file is treated confidentially and will not be released to anyone not involved in the accommodation and service-delivery process with the following exceptions: (a) the student gives ODS a signed release to share disability-related information with the person(s) or office(s) named on the release; (b) ODS will release disability-related information as required and/or permitted by the law and/or a court order; (c) the student files a disability-related complaint, appeal, grievance, or lawsuit against any University office or employee(s). ODS staff will not release disabilityrelated information to a student's parents/guardian/caregiver without a confidentiality release signed by the student. This must be a confidentiality release completed and signed at ODS. A confidentiality release signed through another office or department at Tennessee State University does not grant parental access to disability-related information kept by ODS. When a student with a disability requests accommodations, he or she understands that some disability-related information may be provided on a need-to-know basis to University faculty and staff to help ensure that the student receives appropriate accommodations. Otherwise, University faculty and staff need to know only (1) that the student has been through the disability documentation review process; and (2) what accommodations have been approved by ODS to meet the student's disability-related needs.

Consent release

In the event that my needs change during the semester, I understand it is my responsibility to notify the Office of Disability Services. Accommodation Responsibility

I understand in order to renew my accommodations for every semester, it is my responsibility to notify the Office of Disability Services. Once my accommodations have been renewed/approved for the semester, it is my responsibility to speak with my instructor every semester to ensure that the instructor has received my accommodations, which is sent via email from my Coordinator. If for some reason the instructor did not receive the email, it is my responsibility to notify the Coordinator assigned to me and to forward a copy of the email sent by the Coordinator to the instructor.

In addition, I will need to schedule a confidential meeting with my instructor to discuss the facilitation of my accommodation. If at any time I wish to revoke any portion of my accommodation, I understand it is my responsibility to obtain and complete the accommodation waiver form from my assigned Coordinator or the Director of the Office of Disability Services. I also understand that at no time am I required to reveal my diagnosis to any instructor. If a instructor ask me about my disability, I can direct the instructor to contact the Office of Disability Services. The Office of Disability Services will **only** reveal ways that the instructor can assist in facilitating the accommodation.
