FOR THE COFFEE CONNOISSEUR IN ALL OF US

We are offering a new innovative way for you to keep up with important and timely topics in Extension educational program areas by presenting the “TSU Extension Virtual Coffee Shop” monthly public outreach educational webinars.

These webinars are offered the second Wednesday of every month and consist of three, fifty minute webinars covering the critical and useful topics in each of the TSU Extension educational program areas. Archived webinars are available in the online TSU Extension Virtual Coffee Shop.

The first TSU Extension Virtual Coffee Shop webinar begins at 9:00 a.m. (CT) and ends at 9:50 a.m. and covers various topics in the areas of Agriculture and Natural Resources (ANR). The second webinar begins at 10:00 a.m. (CT) and concludes at 10:50 a.m., and covers important topics in the area of Family, Community and Nutrition Education. The third webinar will start at 1:00 p.m. (CT) and ends at 1:50 p.m. It covers topics and issues dealing with 4-H and Youth Development.
