

## **CALL FOR EXHIBITORS**

TNAPPA 2012 Conference and Vendor Show  
Tennessee State University – Avon Williams Campus  
Nashville, Tennessee  
May 14-15, 2012

Tennessee State University is honored to host the 2012 Tennessee Association of Physical Plant Association (TNAPPA), of Universities and Colleges annual meeting on our beautiful Avon Williams Campus. We invite your organization to help us make this annual conference a greater success by reserving an exhibit space where you can demonstrate your product, equipment, or services and have the opportunity to network with over 200 plus representatives from eighty colleges and universities involved in TNAPPA.

The cost of the exhibit space for this year's conference is \$500 and space is available for only 60 exhibitors. The exhibit price includes: a 10'x10' booth with an 8' high back drape and 3' high side drapes; 1 (each) 6'x30" skirted table; 2 (each) chairs; and 7" x 44" company I.D. sign.

Exhibitors are also encouraged to become sponsors or co-sponsors of various conference activities including, networking, entertainment, meals, and expenses. Sponsorship for these events will receive priority booth location, "available space upon receipt of paid registration", additional recognition and promotion in the conference proceedings and at corresponding functions. Exhibitors who sponsor major expenses, such as break refreshments, breakfast, lunch, or dinner functions will be allowed program time to promote your organization to the membership.
