Proposed Constitutions

A quorum was not present at the beginning of the meeting which prohibited the Senate to move on any action items requiring a vote. A motion to delay agenda items requiring votes until a quorum present was seconded and approved. The Senate continued with agenda item #4. Twenty senators were later present that constituted a quorum and votes were taken on action items.

4. Report of Standing Senate Committee

Professional Development: Senator Onyebueke introduced new documents to assist faculty in requesting funds for professional development. The funds will be distributed by the Faculty Senate.

Discussion: Time line for funds requests, amounts to be requested, "paper work" complexity, and fair and reasonable use funds were discussed. It was concluded funds would be disbursed on a first come basis. Senator Onyebueke said the forms would be found on the Senate’s website so there would be no need to search for documents. Applications will require
department and college approvals with signatures. A proposal that applications from faculty who did not turn in grades on time be denied funds was rejected.

With a quorum present, a discussion and vote was taken concerning the Faculty Senate Chair.

Chair-Elect LaMarque shared the history of how Senate Chairs acquired a two-year term in office. A vote was taken as to whether or not the current chair should continue for a second year.

Paper ballots were distributed to the senators and collected by the Senate Secretary with the following result: fourteen (14) “Yes” votes (continue in office); and, four (4) “No” votes (do not continue in office).

Curricular: Senator Michael McBride, Chairman of the Constitution Committee, distributed copies of a revised constitution. The Senate supported the proposal to distribute the documents electronically to all Faculty via their Senators for review and feedback.

Discussion: Questions were asked about the revised and other documents to also be shared electronically. Dr. Pennington moved to distribute all five (5) documents electronically including (1) the constitution proposed by a faculty caucus, (2) the 1989 Faculty Senate Constitution, (3) a constitution and (4) by-laws drafted by the faculty senate, and (5) a composite document of (3), (4), and (5). The motion was seconded and approved. Faculty Senators were to distribute the documents to their faculty and bring back their recommendations and comments to the next senate meeting. Electronic copies will be sent to all Senators by Chair-Elect LaMarque.

Slate of Committee Chairs: Nominations were made for committee chairs including accommodations for write-in candidates. A preliminary slate of candidates was presented to the Senators, a motion made & seconded for approval, and the slate was approved via unanimous vote.

4. “Each senate should propose to the TUFs Executive Committee discussion points, concerns, and strategies for the anticipated presentation to the Tennessee Senate Education Committee.”
5. “In matters that are time-sensitive, after consulting with the Executive Committee of TUFs and the faculty senate presidents of TUFs member institutions, the president of TUFs is authorized to communicate to the public the consensus of those consulted.”
