Deadline to Submit Appeal: Summer- Last May 27th, Fall- July 6th, Spring- January 6th

NO DOCUMENTATION –AUTOMATIC DENIAL

Appeal Instructions:

If you have experienced an extenuating circumstance that caused you **not** to meet the Satisfactory Academic Progress (SAP) Standards, you may submit an appeal to have your circumstances reviewed by the SAP Committee for reinstatement of financial aid.

The appeal and all supporting documentation should be submitted to the Financial Aid Office by the deadline listed above for the semester that you are planning to attend. **Incomplete appeals will be denied. Submitting fraudulent documentation will also result in a denial. An appeal with no documentation will be denied.** Appeals received after the deadline will be reviewed for the next semester. ***No Exceptions***

Verify All Items Are Complete:

- Signed typed appeal letter and appeal form
- Clear copy of all supporting documentation submitted
- Scan documentation, letter and form and email to: sap@tnstate.edu

If not able to scan, please mail or hand deliver into the financial aid office

Extenuating circumstances are situations that occur beyond your control. Your lack of compliance with the Satisfactory Academic Progress guidelines had to result from those direct extenuating circumstances. Examples of extenuating circumstances and documentation are:

- (1) **Medical Problems (physical or mental)** – Official statement on letterhead from your physician, hospital or professional counselor which indicates the duration of the illness, whether the medical or mental condition is under control and whether you are able to attend school;
- (2) **Accident/Injury** – The Police Report, statement from physician or hospital to support the date of your accident and/or injury, any medical problem(s) that resulted and whether you are able to attend school;
- (3) **Death of Immediate Family Member** – Loss of an immediate family member (parents, grandparents, siblings, spouse, and children) must be documented; examples of documentation may include, but not limited to, an obituary, death certificate and/or death announcement. If loss is extended family, please provide notarized statement of significance.
- (4) **Other Extenuating Circumstances** – Clearly describe your extenuating circumstance, and the duration of the problem that you suffered. Documentation may include, but not limited to notarized statement(s) or letters from professional sources indicating circumstances have improved or been resolved.

Appeal Decision:

Please include **ALL** documentation you wish to be considered with this form. It is your only representation before the SAP Committee, as you will not be able to meet with the anonymous committee face to face. Your “myTSU” account will be updated accordingly. You will receive a written response after your complete appeal has been reviewed. Filing an appeal **does not** guarantee Financial Aid reinstatement. The appeal decision will be based on the strength of your appeal statement, documentation received, and your academic record. If your appeal is denied, you will need to make payment arrangements in order to pay fees if you choose to attend. A reason will not be given for denied appeals. This will be your only attempt to appeal for the term.
