Financial Aid Application Summer 2013

INSTRUCTIONS

Summer financial aid eligibility at Tennessee State University is contingent on funds remaining from the fall and spring 2012/2013. Thus, if you used all of your Pell Grant and/or student loan eligibility during these terms you will not have eligibility for summer financial aid unless you have changed from freshman to sophomore or sophomore to junior. **There are NO Perkins loans, SEOG Grants or Federal Work-study awards made for the summer!**

If requesting loan funds for Summer 2013, you should know that you cannot receive more than the yearly federal maximum allowed in the Stafford/Unsubsidized Stafford Loan program. Loan funds received during the summer will affect your remaining aggregate loan eligibility. If you are already awarded for an upcoming term at TSU or another institution, summer loans may affect future term eligibility. TSU policy requires that outstanding tuition and fees be paid with the first available aid source disbursed, which includes student loans.

By submitting this application you affirm that you are:

- **REGISTERED** for summer courses. (Summer aid applications **WILL NOT** be processed if you have not pre-registered for courses!)

- In good academic standing with records and not in violation of financial aid satisfactory academic progress guidelines.

INCOMPLETE APPLICATIONS WILL NOT BE CONSIDERED. SUMMER 2013 APPLICATIONS MUST BE RECEIVED BY <u>JULY 01, 2013</u>
