About the University Honors College

In 1963, Dr. Walter S. Davis, the second President of Tennessee State University (TSU), appointed a committee that was charged with the responsibility of studying honors programs and determining the feasibility of establishing one at the University. After completing the investigation, the committee recommended that TSU keep pace with many other universities throughout the country. As a result, an Honors Program for freshman students was started in the fall semester of 1964. Sophomore through senior level course work was added annually throughout 1968, thus marking the year of the first student to graduate with “University Honors”, a distinction that is reserved for students who have successfully completed the requirements of the University Honors College (UHC).

Dr. McDonald Williams became director of the Honors Program at TSU in 1966 and held that position until his retirement in 1988. Additionally, he gave 30 years of distinguished service as an English professor at TSU. The University Honors Center, which is now located in the Harold M. Love, Sr. Student Success Center, was named the McDonald Williams Honors Center, on October 31, 1995. Dr. Joan Elliot served as interim director from 1988-1990, Dr. Mayibuye Monanabela served as director from 1990 – 1992 and Dr. Sandra Holt from 1992 – 2013. The current dean, Dr. Coreen Jackson, was appointed by Glenda Glover, President of Tennessee State University in 2013.

It was the desire of Glenda Glover, President of Tennessee State University, and administrators to implement the goal of the Academic Master Plan 2008-2028 that enhanced the Honors Program and transitioned it into an Honors College. In January, 2016, the Honors Program was approved by the Tennessee Board of Regents and the Tennessee Higher Education Committee to be elevated from an Honors Program to an Honors College. The Honors College currently consists of over 500 multi-disciplinary students who maintain an average GPA of 3.49.

It is our honor to be celebrating the TSU’s Honors College with this observation of academic excellence and a commitment to higher education during the 2018 Honors Convocation.

UNIVERSITY-WIDE NATIONAL HONOR SOCIETIES

Alpha Kappa Mu Honor Society

Dr. Coreen Jackson, Chapter Advisor

Founded at Tennessee Agricultural and Industrial College (now Tennessee State University) on November 26, 1937 by Dr. George W. Gore as the only national honor society for African-Americans, Alpha Kappa Mu National Honor Society now has more than 75,000 academically gifted and talented men and women of all races, ethnicities, religions and national origins committed to promote high scholarship; to encourage sincere and zealous endeavors in all fields of knowledge and service; to cultivate a high order of personal living; and to develop an appreciation for scholarly work and scholarly endeavor in others.

Golden Key International Honor Society

Dr. Tyrone Miller, Primary Advisor

The goals of the Golden Key International Honor Society are to recognize and encourage scholastic achievement and excellence in all undergraduate fields of study, to unite with faculty and administrators in developing and maintaining high standards of education, to provide economic assistance to outstanding members by means of both undergraduate and graduate scholarships, and to promote altruistic conduct through voluntary service. Membership is by invitation to those students who are in the top 15 percent of their junior and senior class. Full-time as well as part-time students qualify, and members include both traditional and non-traditional students. The TSU Golden Key chapter was chartered in May 1978. Worldwide, there are more than 250 chapters.

The Honor Society of Phi Kappa Phi

Dr. Samantha Morgan-Curtis, Chapter President

The primary objective of the national Honor Society of Phi Kappa Phi is the recognition and encouragement of superior scholarship in all academic disciplines. The Society is convinced that in recognizing and honoring those persons of good character who have excelled in scholarship, in whatever field, it will stimulate others to strive for excellence. For undergraduate initiates, as juniors, students must be in the top 7.5% of their class; and as seniors, students must be in the top 10% of their class. Moreover, the society serves the interests of the student capable of excellence by insisting that in order to acquire a chapter of Phi Kappa Phi, an institution provide the means and atmosphere conducive to academic excellence. Phi Kappa Phi was founded in 1897, and the TSU chapter was established in April 1994.

Phi Eta Sigma National Honor Society

Dr. Erik Schmeller, Primary Advisor

Phi Eta Sigma is a national honor society rewarding first-year collegiate scholarship. The oldest and largest first year honor society, Phi Eta Sigma was founded at the University of Illinois in 1923. The Tennessee State University Chapter was founded in 2004. The motto of the society is, "Knowledge is Power".
