

### **Program Evaluation by Program Director**

The purpose of this evaluation is to provide a venue for you as a Program Director to record opportunities which you encountered during the program, and suggestions for improvement in the future. It is divided into broad categories with a catchall "general" section at the end. This evaluation will be read by the ODIA Director and made available to the TSU & International Education Advisory Board upon request.

Program Director \_\_\_\_\_ Program/year \_\_\_\_\_

1. TSU & ODIA office services

---

2. Onsite arrangements (lodging, food, classrooms, excursions, etc.)

---
