HYMN FOR THE AUDIENCE—"Lift Every Voice and Sing".....*Johnson*

Lift every voice and sing, Till earth and Heaven ring,  
Ring with the harmonies of liberty:  
Let our rejoicing rise High as the list'ning skies,  
Let it resound loud as the rolling sea.  
Sing a song full of the faith that the dark past has taught us  
Sing a song full of the hope that the present has brought us;  
Facing the rising sun of our new day begun,  
Let us march on till victory is won.

God of our weary years, God of our silent tears,  
Thou who hast brought us thus far on the way;  
Thou who hast by Thy might, Led us into the light,  
Keep us forever in the path, we pray.  
Lest our feet stray from the places, our God, where we met Thee,  
Lest our hearts, drunk with the wine of the world, we forget Thee;  
Shadowed beneath Thy hand, May we forever stand,  
True to our God, True to our Native land.

THE WHITE HOUSE

WASHINGTON

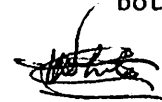

TO THE 1971 GRADUATING CLASS  
TENNESSEE STATE UNIVERSITY

The continued success of the American Experiment depends primarily on the qualities of heart, mind and spirit of our young people. As college graduates you have not only the training and idealism, but the opportunity and responsibility to build through further study or through your chosen careers the kind of society which will make further generations proud to identify with your accomplishments.

I know that you will not fail to become part of a positive response to the needs of America: a response worthy of her resources and capacities; worthy of the historic courage and the wisdom and will of her people. Your studies have given you the tools to dedicate yourselves in a very special way to helping overcome some of the most difficult problems we face; and as you become further involved in these efforts, you will continue to discover more examples of the ways in which the complexities of modern life make it imperative for us to work together.

The destiny of our nation is not divided into yours and ours. We share it. There can be no generation gap in America. We must all keep an open mind and forthright spirit, balance the courage of our convictions with the courage of our uncertainties, triumph over bigotry and prejudice and recapture the unity of purpose that has always been our strength.

Your fresh ideas and candid approach can be a strong deterrent to division and a valuable asset in building the alliance of the generations we so urgently need if we are to advance the cause we share. As I congratulate you on this graduation day, I do so in full confidence that you will answer this need both in your careers and in your daily lives.
