The speaker's M.D. Degree was earned in 1967 at the University of Wisconsin after having worked the year before on a fellowship from the National Institutes of Health on Study of Computer Applications in Medical Research at the University of Chicago Graduate School.

Dr. Tardy completed Mixed Medicine Internship at the Queen's Medical Center in Honolulu, Hawaii, and completed the Primary Course in Aviation Medicine at the USAF School of Aerospace Medicine at Brooks, AFB, Texas. In February, 1972, Dr. Tardy received the Air Medal from the U. S. Air Force for Meritorious Achievement while participating in aerial flight. He received an honorable discharge from the U. S. Air Force in May, 1972, with the rank of Major, USAF, Medical Corps.

During his senior year at TSU, Walter Tardy was president of the Student Council and was married shortly after graduation to the 1962 "Miss Tennessee State," Miss Louise Dickson. The couple has two children.

Dr. Tardy is presently chief resident in psychiatry at the Columbia-Presbyterian Medical Center in New York City, and candidate for the Doctor of Public Health (Dr. P. H.) THE WHITE HOUSE
WASHINGTON

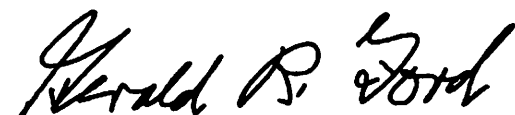

TO THE 1975 COLLEGE GRADUATES:

President Eisenhower once said that education is not only the means for earning a living, but for enlarging life. His words are especially appropriate for those who complete college. Your generation's candor, sensitivity and desire for creative involvement are heartening signs that you will be doing more than just earning a living.

You are graduating in a particularly difficult year. You will be faced with many uncertainties. But the opportunities that await you are even greater than the challenges. It will indeed be within your grasp to enlarge and enrich life in our society. As you make the decisions that will shape your course and that of your country, I hope you will keep in mind that one person can make a difference.

Times have changed greatly since I went to college. But looking back on those days in the context of today's world, I know that the same optimism and hope I shared with my classmates is very much alive in you today. I want you to know how much I admire your enthusiasm and determination, and how convinced I am that you will make a difference for America.

I wish each of you the satisfaction that comes from doing your best at something you believe in.

Because of circumstances which require that the lists of names be furnished the printer in final form approximately one week prior to Commencement, it is possible that one or more of the candidates listed herein may have been unable to complete all requirements for the degree. Inability to remove a name at the last moment does not commit the University to grant the diploma to a person thus listed in error.
