## Summary

---

A motivated, performance driven, physical therapy student with a strong background in retail and customer service and a passion for rehabilitation and community.

## Education

---

**Pennsylvania State University - Berks**  
Kinesiology

**Wyomissing, Pennsylvania**

Graduated May 2021

An interdisciplinary program that offers training in the basics of exercise and health. The program prepares students in professions of physical activity as well as graduate studies in related areas.

**Tennessee State University**  
Doctor of Physical Therapy Program

**Nashville, Tennessee**  
August 2021-May 2024

Doctoral level student at the prestigious program at Tennessee State University. In this program, classes such as gross anatomy and biomechanics are discussed in lecture and lab portions. Additionally, hands-on and manual skills are practiced frequently during most classes.

## Employment History

---

**CVS**  
Pharmacy Technician

**Reading, Pennsylvania**  
August 2018 -March  
2020

During this job, I gained insight into the healthcare occupations world while helping patients find products, filling prescriptions and contacting insurance and health care providers to resolve issues.

**Walmart**  
Cashier/Electronics Associate

**Wyomissing, Pennsylvania**  
April 2016 - August 2018

I worked in several positions around the store that have taught me to resolve customer issues with professionalism, and to manage several departments during busy hours while maintaining a high standard of customer service.

**Panera Bread**  
Customer Service Associate

**Reading, Pennsylvania**  
May 2015 - August 2015

During my first job, I worked as a team member performing many duties including but not limited to cleaning dishes, bussing tables and assisting customers in need and occasionally working on the sandwich making line.

## Volunteering

---

**St Verena Coptic Church --- Since 01/2022**

I assist with the transportation of guests from the "Room at The Inn" homeless shelter to the church for overnight shelter.

**MRPT --- 01/01/2020-03/11/2020**

I assist and shadow the physical therapists at the private practice in Leesport. I also guide patients with their exercises.
