

# HISTORY

## MAJOR MAP

## WHO WE ARE

- With a history degree, your career paths are wide open, as opposed to a vocational degree in which you are trained for a single career that you might not wind- up liking.
- Our curriculum encourages students to explore history from multiple perspectives including race, class, gender, and sexual orientation on local, national, and global levels.
- As faculty, we develop the intellectual potential of our majors and minors through course offerings, invited guest speakers, internships, research opportunities, and close mentorship.

### CAREER OUTCOMES:

- Teacher
- Lawyer
- Park Rangers
- Museum Curators
- Archivists
- Government jobs
- Journalist
- Librarian

### AREAS OF STUDY:

No concentrations, minors, specializations, or other academic options available in the program.

### What skills will students learn throughout this program?

- Ability to find, read, understand, evaluate, and synthesize information from a variety of sources.
- Ability to effectively communicate orally and in writing.
- Ability to place events in a larger chronological and cultural context.
- Ability to adapt to changes in the workplace and learn new skills quickly.
- Ability to recognize ethical dimensions of workplace decisions and practices.

### WHAT SKILLS ARE YOUR FUTURE EMPLOYERS LOOKING FOR?

- Analytical Thinking
- Communication Skills
- Language Proficiency
- Argumentation Research
- Cultural Competency
- Interdisciplinary Knowledge
- Research Skills
- Critical Thinking
- Ethical Judgment
- Attention to Detail
