Congratulations to the Newest Million Dollar Research Club Member
Celebrating researchers awarded $1,000,000 or more per grant

Congratulations to Mrs. Leslie Speller-Henderson for her 2015 induction into the Research and Sponsored Programs’ Million Dollar Research Club! Mrs. Speller-Henderson joins the 35 existing members of this exclusive club of scholars who, due to their commitment to excellence, are on the cutting edge in research, teaching, and service. The steady increase in sponsored research and program support is a direct result of the million dollar projects awarded to these 36 distinguished scientists, engineers, and educators. Their efforts, although measurable in dollars, are immeasurable in terms of the positive impact their work has had on the University's ability to achieve its mission.

This recent club member leads the Tennessee Department of Human Services grant awarded to Tennessee State University for support of “Tennessee State University Supplemental Nutrition Assistance Program Education.”
