* IMPORTANT: Because of the amount of specialized training that interns receive, internships at this agency are for a minimum of 9 months and a 9-month commitment is required. The internship program begins in August. If you have a strong interest in this area you should consider pursuing one of their internships but you will only receive credit for hours completed during the time you are enrolled in Practicum. That means that you will *not* receive credit for hours completed before the start of the Spring semester.
