- Reminder to Students: We are educators, not editors. We are here to help you become a better writer!

- *Even without a tutoring appointment, the Studio is open to students in participating majors who need a quiet, dedicated space in which to work on their writing with specialized tutors/mentors available.*

Students can “walk in” for a place to work on their writing but will need an appointment to guarantee a tutor is available.

The WRITE Studio is available to upper-division students majoring in one of the participating WRITE programs: **English, History, Human Performance & Sport Sciences, Political Science, Psychology, Social Work, and Sociology.**
