Message from the Bursar

FROM: BURSAR’S OFFICE
TO: ALL STUDENTS

Welcome to Tennessee State University, “The land of golden sunshine”. Several Bursar’s Office procedures related to fee payment, billing, confirmation of attendance, deferred payment plan online enrollment, refunds, and 1098Ts will change because of new online systems. Since myTSU is the major mode of communication with students, it is imperative that all students check their “myTSU” email accounts regularly.

A student is not officially enrolled until all fees are paid in full (or students must confirm registration if their fees will be covered by scholarship, authorized deferments and/or financial aid). Changes to class schedules or room/board, including withdrawing from the university, may result in a balance due to the university. Students are encouraged to better plan their schedules and retain their full-time status on their way to a timely and successful graduation.

PRIOR BALANCES

Tennessee Board of Regents policy 4:01:03:00, section 8, states that no student may register for classes until all balances from prior terms have been cleared. These balances cannot be offset by financial aid in a future term and are not eligible for deferment. Please make arrangements to immediately pay any prior balance reflected on myTSU.

FINANCIAL AID REFUNDS

Financial Aid Refunds:

Refunds for the Spring 2016 will be available on student ID cards (comdata accounts only) beginning January 19, 2016 (after 9:00 p.m.) for students who have registered, completed all paperwork in the Financial Aid Office, and have actual aid credited to their accounts. Direct deposit is required if you are a freshman, transfer, or a returning student with a new ID card. Direct deposits may take up to three business days to post to bank account. Students who do not sign up will receive their refunds via checks mailed to their permanent addresses on file beginning February 15, 2016. To sign up, log on to myTSU and select Student, then Refund Account Information. No refunds will be issued prior to this date. If your parents have secured a Plus loan and the refund will be returned to them, or if your financial aid is "Authorized or Memo Aid" (i.e. pending), you must make other arrangements for books.

If you change your schedule of classes after you receive your refund or if you officially withdraw from the university, please monitor your account balance to determine if a portion of your refund must be returned. Class schedules may be deleted if you receive a refund and subsequently incur additional
charges by adding more courses or room and board.

All first-time borrowers must sign promissory notes with their lenders and complete entrance loan counseling.

**Parent Plus Loan Refunds:**

Parent Plus Loan refunds will be sent directly to parents unless authorization to refund excess funds to student is indicated on the Federal Direct Parent Plus Loan Application submitted to the Financial Aid Office. The Bursar's Office must review these loans and process checks in the parents' name. Parents may request expedited reviews beginning February 15, 2016 if they have credit balances on myTSU and are certain that refunds are due.

**Financial Aid Deferments:**

Students in need of a financial aid deferment must see their financial aid counselor to determine if they are eligible for a deferment. No financial aid deferments will be given until all eligibility requirements have been satisfied.

**Scholarships:**

Regular refunds are not automatically generated if scholarships from any source are credited to students' accounts. The Financial Aid Office must review these scholarships to ensure refunds are allowed. Students may request expedited reviews beginning February 15, 2016, if they have credit balances on myTSU and are certain that refunds are allowed and due.

RODP courses **cannot** be evenly exchanged with TSU courses when students drop/add on or after the first day of classes. RODP classes can be identified by section number R50. RODP courses are charged separately from TSU courses.
