

**POLITICAL SCIENCE, CONCENTRATION—TEACHER CERTIFICATION IN
GOVERNMENT—LICENSURE FOR GRADES 6---12 ACADEMIC MAP:
DEGREE BS (120 CREDIT HOURS)**

This degree map is a semester---by---semester sample course schedule for students majoring in **Political Science with a concentration in Teacher Certification in Government—Licensure for Grades 6---12**. The milestones listed to the right of each semester are designed to keep a student on track to graduate in four years. The schedule serves as a general guideline to help build a full schedule each semester. Milestones are courses and special requirements necessary for timely progress to complete a major. When one or more milestones are missed, students should consult with an academic advisor to determine if another degree path would be more suitable.

The curriculum for the Political Science/Teacher Certification Program includes the University's general education requirements, the requirements for the major, and a series of professional education courses culminating in a student teaching internship during the spring semester of the senior year. Majors in Political Science who wish to seek teacher licensure for grades 6---12 in History, Government, and Geography apply for admission to the Teacher Education office in the second semester of their sophomore year. Applicants must have a cumulative grade point average of 2.75 or better and must pass the Praxis Core Academic Skills for Educators tests. Students who have previously earned a score of 22 on the ACT or Enhanced ACT, or a combined score of 1020 on the verbal and mathematical portions of the SAT are exempt from the Praxis Core. Admission to the Teacher Education Program is a prerequisite to all upper---level courses in the professional education curriculum.

Students are required to seek advisement regarding their licensure programs as early as possible during their academic career at Tennessee State University to ensure that all prerequisite courses and Praxis exams are complete in preparation for Residency.

Tennessee State University recognizes that students have diverse learning, life, and professional experiences. The University provides opportunities for students to earn college credit toward the degree through a number of assessment options that evaluate their learning experiences. These paths are grouped under the category "Prior Learning Assessment" (PLA). Various means of earning PLA credit at TSU are the following: Advanced Placement Program, American Council of Education (ACE) Military Credit, College Level Exam Program (CLEP), DSST Credit by Examination Program (includes DANTES Examination), Institutional Course Challenge Exams (Departmental Exams), International Baccalaureate Credit, Other Military Service, Portfolio Assessment. To learn more about PLA contact your academic advisor or the Office of Student Support Services for Adult and Distance Learners at (615) 963---7001 or adultstudentsupport@tnstate.edu.
