To all faculty /staff eLearn (D2L) users (current or new):
Complete the eLearn Basic and
Accessibility Matters! Training Today!

All faculty and staff eLearn users are required to take the Basic Training and Accessibility Matters courses prior to Fall 2017 course activation(s).

The following online training courses are available 24 hours / 7 days a week:

TSU eLearn V10.3 Basic Training – Mandatory
TSU Accessibility Matters! Training - Mandatory
TSU eLearn V10.3 Advanced Training – Optional

It should take approximately 3 hours to complete the eLearn Basic and Accessibility Matters! courses. However, remember the courses have been designed for users to move through the materials at their own pace and one can come back to the courses at anytime for review.

Steps accessing the training courses:

1. Log into eLearn (elearn.tnstate.edu) using your tnstate network credentials.
2. Click on the *Student* tab found under the *My Courses* widget.
3. The link to the course can be found under the *Seminar/Non-Credit* heading.
4. Click on the course link and begin the course!

Upon successful completion of the training, you may send your course activation requests to Mr. Carl Hunter (chunter@tnstate.edu). Be sure to include the course number and CRN.
