

**BUSINESS ADMINISTRATION, CONCENTRATION—MANAGEMENT ACADEMIC MAP:  
DEGREE BBA (120 CREDIT HOURS)**

This degree map is a semester-by-semester course schedule for students majoring in [Business Administration with a concentration in Management](#). The milestones listed to the right of each semester are designed to keep a student on track to graduate in four years. The schedule serves as a general guideline to help build a full schedule each semester. Milestones are courses and special requirements necessary for timely progress to complete a major. When one or more milestones are missed, students should consult with an academic advisor to determine if another degree path would be more suitable.

The management program provides students with the opportunity for professional preparation applicable to the management of private and public sector organizations. Examples of employment areas are: administration management, personnel administration, industrial relations, production management, and other assignments in small, medium, and large businesses, as well as government agencies, foundations, hospitals, and other service organizations.

The BBA in Business Administration – A Management concentration program consists of 120 semester hours that comprises of General Education (36 semester hours), Lower Division Business Core (18 hours) Upper Division Business Core (27 hours), BIS courses (30 hours), and Non-Business Electives (9 hours). Students in the College of Business (COB) are expected to maintain a minimum cumulative grade point average (GPA) of 2.00. Students who incur probationary status are to repeat failed courses. The College has a special program to assist students who are on probation. Please contact the Academic Coordinator for details. To enroll in upper level (3000 and 4000 numbered courses) business classes, students must meet the following requirements: (a) Complete 60 credit hours of lower division requirements; (b) Earn a “C” or better in both English 1010 and English 1020; (c) Have a 2.00 GPA or better in lower division courses; and (d) The following business courses must be completed: MGMT 1010, ECON 2010, ECON 2040, and ACCT 2010. **Employment Information:**

Managers will find opportunities in a wide range of industries. The Department of Labor states that “because top managers are essential to the success of any organization, their jobs are unlikely to be automated or off shored to other countries.” There are more than two million general, operations and top level management position in the US. A career in management offers students the flexibility to work in a variety of settings.

**Representative Job Titles Related to this Major:**

Managers often work in a number of positions during their careers, for example as: Functional Managers, Project Managers, General Managers and Executives (Senior Managers).

**Representative Employers: Fortune 300 and 500 Companies, AT&T, Bank, Universities, Non-Profit Organizations**

**International study is available for all TSU students and may include opportunities for internships or taking course work towards various minors.** International study may have an impact on the MAP; therefore, it is important to consult with the academic advisor for this major before participating in an international Program opportunity. Students interested in study abroad opportunities should contact the Office of International Programs and consult with their academic advisor.

This map is not intended to be a contract; either expressed or implied, between the University and the students, but represents a flexible program of the current curriculum which may be altered from time to time to carry out the academic objectives of the University. TSU specifically reserves the right to change, delete or add to any MAP at any time within the student’s period of study at the University.
