Roderick Reed (615) 963-7562

E-mail: rreed2@tnstate.edu

Youth Active and Media Savvy (YAMS)

**Two week, 5 day program for 8-14 year old, African American youth
Camp dates: June 3 – 14; June 17 – 28; & July 15 – 26**

YAMS is a research-based summer camp program designed for African American youth. This interactive summer program promotes self-confidence and healthy living, as participating youth learn and engage in activities that explore media influence on dietary behaviors and sedentary lifestyles, as well as nutrition, physical activity/exercise, and weight maintenance. Emphasis is placed on providing nutrition lessons and physical activities to promote healthy weight management. Participants must identify as African-American, age 8-14, reside in Davidson County, and be willing to complete surveys. The cost of the camp is FREE, and all meals are provided. Campers can only attend one (1) 2-week session.

TSU Repair Fest

**Two day in-service commuter workshop
for middle and high school band directors**

June 4th - June 5th, 2013

The workshop is an intensive, hands-on experience in band instrument repair with special emphasis upon emergency repairs to keep instruments playing when they break just before a performance. Also included is instruction in cork, pad, and solder work. Space is limited.

Contact Person: Music Department, (615) 963-5341

RealSports Leadership Academy

A Four-Week Commuter Program for High School Students

June 5 - 28, 2013

The RealSports program is designed to give high school student athletes a head start in preparation for college by providing a clear vision of the expectations, knowledge and skills necessary for success. It is a four week pre-college program that provides a strong curriculum and faculty for enhancement in the basic academic subjects of English, Math, Science and Computer Science. The summer program emphasizes essential learning strategies goal setting, time and task management, critical thinking, decision making, study skills and test-taking skills including ACT preparation. Mentoring workshops presenting successful professional athletic role models, athletic administrators and coaches are significant parts of this program. RealSports promotes the personal, cultural, social and leadership development of student athletes by providing activities in the college environment that will contribute to their success. There is no cost.

Summer Math Academy

**A Two-Week Residential Pre-College Program
for Rising High School Sophomores and Juniors Enrolled in the
Metropolitan Nashville Public Schools - July 7 - 20, 2013**

The goal of the TSU Regents Summer Math Academy is to encourage high school student participants to envision themselves as college students and to provide them with the opportunity to explore careers in mathematics, science and related science and technology fields. The math curriculum is designed to demystify algebra and advanced mathematics, enhance attitudes toward mathematical science, and strengthen mathematical reasoning skills necessary to perform well on college entrance examinations and in college level mathematics. This is a resident program and students are required to live on campus for the entire 2-week program period. Eligible students must be rising 10th and 11th graders for the 2013-2014 academic year. This is a free program and students from underrepresented populations are encouraged to apply.

TSU Summer Success Institute

A Five-Week Program for High School Sophomores, Juniors, Seniors and Freshmen Admitted to Tennessee State University

May 28—June 28, 2013

The Summer Success Institute is a TSU community outreach program designed to enhance students' skills in English, math, reading, test taking, and study skills. The program provides the ACT Prep Class for high school sophomores and juniors. Students are equipped with the necessary tools required to improve their ACT/SAT scores or to successfully complete their initial test-taking attempt. For graduating seniors who are being considered for admission to TSU and who have an ACT subscore of 12 or less in at least two areas, the ACT Prep provides them with the tools needed to improve their scores as a condition of their admission to the University. For graduating high school seniors who have been admitted to TSU with subscores of 17-13 in English, 18-13 in math, and/or 18-13 in reading, the Summer Success Institute offers the College Prep, which provides the tools needed to enhance the students' skills and improve their placement upon entry into TSU. The cost is \$100.00.

For more information contact: Sharon Bradley (615) 963-5521
