

While registering for classes, sometimes you may receive errors that prevent you from adding courses. Here are some of the most common errors and how to resolve them

Corequisite Error

This error appears when two courses must be added at the same time; this is mostly seen with science lectures and labs

Status	CRN	Subj	Crse	Sec	Level	Cred	Grade Mode	Title	
Corequisite	PHYS 2011	required	10141	PHYS	2010	01	Undergraduate 3.000	Standard Letter	College Physics I

Prerequisite and Test Score Error

Different from the Co-Requisite Error (needing to add two courses simultaneously), this error needs to be resolved by the department head where the course is hosted i.e. CHEM 1123 = Chemistry Department

Status	CRN	Subj	Crse	Sec	Level	Cred	Grade Mode	Title

Closed Section Error

The course you have selected is no longer available; it has closed either to it being filled or being pulled from the course catalog. If this is a course you were given by a departmental advisor, speak with them for a possible override. If not, locate another course

Academic Advisor Error

Some courses will state that there is a program restriction, or out right tell you to speak with an advisor. In this instance, you would want to reach out to your assigned advisor for assistance

Status	CRN	Subj	Crse	Sec	Level	Cred	Grade Mode	Title
Academic Advisor	13026	BLAW	6100	899	Graduate	3.000	Standard Letter	Legal Issues in Management

NOTE: a program restriction error may appear when trying to register for a TN eCampus course (courses with section numbers with the letter R and a number (ex. R50). These courses incur additional fees. Contact Mr. Bryan Thorpe for more information.

Repeat Grade Restriction Error

If you see this error, that means that according to the TSU Records office, you have already completed this course and/or received a grade for it. To dispute this, first reach out to your advisor to look over your transcript, and then follow up with the Record's office

Status	CRN	Subj	Crse	Sec	Level	Cred	Grade Mode	Title
REPEAT GRADE RESTRICTION	10176	ENGL	1010	01	Undergraduate	3.000	Standard Letter	Freshman English I

Processing Error

This very common error occurs when there is an internal issue with the course posting. As noted in the error, the Registrar (located in the Records office) can resolve this issue with assistance from OTS.
