

**BUSINESS INFORMATION SYSTEMS (BIS), CONCENTRATION – E-BUSINESS TECHNOLOGY (EBT) ACADEMIC MAP:
DEGREE BBA (120 CREDIT HOURS)**

This degree map is a semester-by-semester sample course schedule for students majoring in **Business Information Systems with concentration in E-Business Technology**. The milestones listed to the right of each semester are designed to keep a student on track to graduate in four years. The schedule serves as a general guideline to help build a full schedule each semester. Milestones are courses and special requirements necessary for timely progress to complete a major. When one or more milestones are missed, students should consult with an academic advisor to determine if another degree path would be more suitable.

The Business Information Systems in e-Business Technology (EBT) concentration prepares students for a career in the rapidly growing field of e-Commerce and e-Business. The degree program provides a solid business foundation upon which rigorous information technology competencies are built. The graduates of the program will possess the requisite management and technology skills required for positions in the e-Business and e-Commerce arena. The main objective of the Program is to develop students who understand the strategic and operational nature of e-Business, and are capable of developing dynamic, Web-based systems that provide a strategic and competitive advantage.

The BBA in Business Information Systems E-Business Technology Concentration degree presents a course of study that deals with business processes that span the entire value chain: electronic purchasing and supply chain management, processing orders electronically, handling customer service, and cooperating with business partners. Students study the special technical standards for e-business to facilitate the exchange of data between companies. They also learn the use and development of e-Business applications that allow the integration of intra and inter firm business processes. E-business can be conducted using the web, the internet, intranets, extranets, or some combination of these.

The BBA in BIS e-Business Technology concentration program consists of 120 semester hours that comprises of General Education (36 semester hours), Lower Division Business Core (18 hours) Upper Division Business Core (27 hours), BIS courses (30 hours), and Non-Business Electives (9 hours). Students in the College of Business (COB) are expected to maintain a minimum cumulative grade point average (GPA) of 2.00. Students who incur probationary status are to repeat failed courses. The College has a special program to assist students who are on probation. Please contact the Academic Coordinator for details. To enroll in upper level (3000 and 4000 numbered courses) business classes, students must meet the following requirements:

(a) Complete 60 credit hours of lower division requirements; (b) Earn a “C” or better in both English 1010 and English 1020; (c) Have a 2.00 GPA or better in lower division courses; and (d) The following business courses must be completed: MGMT 1010, ECON 2010, ECON 2040, and ACCT 2010. For more information concerning policies and practices in the COB, see the [College of Business Student Handbook](#) or the [University Catalog](#).

Business majors must maintain an overall TSU Cumulative GPA of at least 2.0., a GPA of at least 2.0 in the upper division business core, and a GPA of at least 2.0 in the ten courses (30 credit hours) being used to satisfy the major field plus upper division business elective course requirements. All business majors, except Accounting may not have more than “D” in the ten (10) courses used to satisfy the major.
