Dear Prospective Graduate:

Congratulations!! You are approaching your graduation from Tennessee State University. Within a short period of time you will be entering the world of work and beginning to test the skills and knowledge you have acquired during your matriculation at Tennessee State University and in the College of Business.

You will be obtaining your degree from one of the finer business schools in the nation. We can make this claim with confidence because the College of Business is accredited by the prestigious AACSB-International, a distinction held by less than 25% of U.S. business schools. Also, U.S. News & World Reports ranks TSU among the best universities in the nation.

As you proceed with your career, please keep in contact with the College of Business. We are anxious to remain in touch with you and to know of your progress, as well as render any possible assistance in your career search. You may stay in contact with the College of Business and your classmates through the College of Business Alumni Alliance. You may become part of this alliance by simply going to the COB website and entering your contact information.

Again, congratulations on your academic success and best wishes for an extraordinarily successful career.

Sincerely,

Dr. Tilden Curry
