What year will you be Spring 2023?

(Circle One)

ELIGIBILITY

An applicant for this program MUST

- 1) Be a full-time freshman or sophomore of Tennessee State University in the Spring term of 2023; and a first-time participant in the ASMI.
- 2) Be enrolled in Pre-Calculus I (1710) or Pre-Calculus II (1720), or Calculus I (1910).
- 3) Major in a STEM discipline.
- 4) Provide an unofficial transcript indicating a minimum GPA of 2.5 (on a 4.0 scale);
- 5) Submit one recommendation letter (from a recent math teacher/instructor);
- 6) Submit a personal statement indicating how your participation in the program will benefit you (< 300 words).

(Incomplete applications will not be accepted)
