

Course Name	Faculty Qualifications Needed	Related Disciplines	Acceptable Alternative Qualifications
ART 1010 Art Appreciation	Earned Master's degree and/or Doctorate in Fine Art or Art History; or Masters or Doctorate degree with a concentration in the teaching discipline with at least 18 graduate semester hours in the teaching discipline discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 1011 Honors Art Appreciation	Earned Master's degree and/or Doctorate in Fine Art or Art History; or Masters or Doctorate degree with a concentration in the teaching discipline with at least 18 graduate semester hours in the teaching discipline discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 1012 Art History and Appreciation	Earned Master's degree and/or Doctorate in Fine Art or Art History; or Masters or Doctorate degree with a concentration in the teaching discipline with at least 18 graduate semester hours in the teaching discipline discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 1030 Freshman Seminar	Earned Master's degree and/or Doctorate in a visual art field; or a Masters or Doctorate degree with a concentration in the teaching discipline with at least 18 graduate semester hours in the teaching discipline discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 1210 Fundamentals of Drawing I	Earned Master's degree and/or Doctorate in a visual art field; or a Masters or Doctorate degree with a concentration in the teaching discipline with at least 18 graduate semester hours in the teaching discipline discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 1220 Figure Drawing II	Earned Master's degree and/or Doctorate in a visual art field; or a Masters or Doctorate degree with a concentration in the teaching discipline with at least 18 graduate semester hours in the teaching discipline discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 1310 Design I	Earned Masters and/or Doctorate in, Fine Art, Studio Art or Graphic Design; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 1320 Design II	Earned Masters and/or Doctorate in, Fine Art, Studio Art or Graphic Design; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 2010 African-American Art I	Earned Master's degree and/or Doctorate in Fine Art or Art History; or Masters or Doctorate degree with a concentration in the teaching discipline with at least 18 graduate semester hours in the teaching discipline discipline.	Art and Architectural History, Classical Art and Archaeology, Design, History & Criticism of Art, History and Art History, History of Decorative Arts, Humanities, Painting	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.

ART 2210 Painting I	Earned Master's degree and/or Doctorate in Studio Art, Fine Art or Art History; or Masters or Doctorate degree with a concentration in the teaching discipline with at least 18 graduate semester hours in the teaching discipline discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 2310 Painting II	Earned Master's degree and/or Doctorate in Studio Art, Fine Art or Art History; or Masters or Doctorate degree with a concentration in the teaching discipline with at least 18 graduate semester hours in the teaching discipline discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 2410 Crafts	Earned Master's degree and/or Doctorate in Studio Art, Fine Art or Art History; or Masters or Doctorate degree with a concentration in the teaching discipline with at least 18 graduate semester hours in the teaching discipline discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 2500 Digital Design Foundations	Earned Masters and/or Doctorate in Fine Art, Graphic Design; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 2510 Lettering and Layout I	Earned Masters and/or Doctorate in Graphic Design or Visual Communication; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 2530 Illustration I	Earned Masters and/or Doctorate in Fine Art or Studio Art; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 3000 Aesthetics	Earned Master's degree and/or Doctorate in a visual art field; or a Masters or Doctorate degree with a concentration in the teaching discipline with at least 18 graduate semester hours in the teaching discipline discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 3010 Ceramics I	Earned Masters and/or Doctorate in Fine Art or Studio Art; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 3020 Ceramics II	Earned Masters and/or Doctorate in Fine Art or Studio Art; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.

ART 3030 Jewelry and Metalsmithing I	Earned Masters and/or Doctorate in Fine Art or Studio Art; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 3040 Jewelry and Metalsmithing II	Earned Masters and/or Doctorate in Fine Art or Studio Art; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 3060 Illustration	Earned Masters and/or Doctorate in Fine Art, Studio Art or Graphic Design; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 3080 Cultural Perspective in Design History	Earned Masters and/or Doctorate in Fine Art, Art History or a closely related field; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline discipline.	Art and Architectural History, Classical Art and Archaeology, Design, History & Criticism of Art, History and Art History, History of Decorative Arts, Humanities, Painting	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 3100 Advanced Drawing and Pictorial Design I	Earned Masters and/or Doctorate in Fine Art, Studio Art or Graphic Design; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 3110 Graphic Design	Earned Masters and/or Doctorate in Fine Art or Graphic Design; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 3120 Production	Earned Masters and/or Doctorate in Graphic Design or Visual Communication; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 3130 Advanced Illustration	Earned Masters and/or Doctorate in Fine Art, Graphic Design or Studio Art; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 3200 Advanced Drawing and Pictorial Design II	Earned Masters and/or Doctorate in Fine Art, Studio Art; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.

ART 3210 Intermediate Painting	Earned Masters and/or Doctorate in Fine Art, Studio Art; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 3260 Photography	Earned Masters and/or Doctorate in Fine Art, Studio Art; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 3300 Watercolor Painting	Earned Masters and/or Doctorate in Fine Art, Studio Art; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 3310 Art History I	Earned Masters and/or Doctorate in Fine Art, Art History; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline.	Art and Architectural History, Classical Art and Archaeology, Design, History & Criticism of Art, History and Art History, History of Decorative Arts, Humanities, Painting	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 3320 Art History II	Earned Masters and/or Doctorate in Fine Art, Art History; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline.	Art and Architectural History, Classical Art and Archaeology, Design, History & Criticism of Art, History and Art History, History of Decorative Arts, Humanities, Painting	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 3410 Sculpture I	Earned Masters and/or Doctorate in Fine Art, Studio Art; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline.	Art and Architectural History, Classical Art and Archaeology, Design, History & Criticism of Art, History and Art History, History of Decorative Arts, Humanities, Painting	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 3420 Sculpture II	Earned Masters and/or Doctorate in Fine Art, Studio Art; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline.	Art and Architectural History, Classical Art and Archaeology, Design, History & Criticism of Art, History and Art History, History of Decorative Arts, Humanities, Painting	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 3500 Printmaking I	Earned Masters and/or Doctorate in Fine Art, Studio Art; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline.	Art and Architectural History, Classical Art and Archaeology, Design, History & Criticism of Art, History and Art History, History of Decorative Arts, Humanities, Painting	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 3510 Printmaking II	Earned Masters and/or Doctorate in Fine Art, Studio Art; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline.	Art and Architectural History, Classical Art and Archaeology, Design, History & Criticism of Art, History and Art History, History of Decorative Arts, Humanities, Painting	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.

ART 3520 Intermediate Printmaking I	Earned Masters and/or Doctorate in Fine Art, Studio Art; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline.	Art and Architectural History, Classical Art and Archaeology, Design, History & Criticism of Art, History and Art History, History of Decorative Arts, Humanities, Painting	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 3600 Public School Art	Earned Masters and/or Doctorate in Fine Art, Studio Art or Art Education; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline.	Education	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 3710 Art Education Methods	Earned Masters and/or Doctorate in Fine Art, Studio Art or Art Education; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline.	Education	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 4000 Individual Problems	Earned Masters and/or Doctorate in Fine Art, Studio Art or Art Education; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline.	Visual Arts, Digital Arts, Drawing & Illustration, Graphic Design, Media Studies	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 4010 Special Topics: Studio Art	Earned Master's or Doctorate degree in Art and Design in the teaching discipline; or Master's or Doctorate degree with a concentration in the teaching discipline with at least 18 graduate semester hours in the teaching discipline.	Fine Arts, Painting, Sculpture, Printmaking, Drawing, Ceramics	Acceptable alternative qualifications include substantial professional experience as a practicing studio artist with national or international recognition. Relevant expertise may include solo and group exhibitions, representation by professional galleries, inclusion in public or private collections, Artist-in-Residence programs, and teaching workshops or masterclasses. Published reviews of artwork, grants from arts organizations, or instructional materials in studio art techniques will also be considered.
ART 4015 Special Topics: Design	Earned Master's or Doctorate degree in Art and Design in the teaching discipline; or Master's or Doctorate degree with a concentration in the teaching discipline with at least 18 graduate semester hours in the teaching discipline.	Graphic Design, Industrial Design, Interaction Design, Visual Communication, Design Studies	Acceptable alternative qualifications include substantial professional experience in design practice, including branding, publication design, UX/UI design, or product design. Relevant expertise may include design awards (AIGA, Communication Arts), professional design studio leadership, client work with major corporations or institutions, and portfolio of published design work. Industry presentations, design thinking facilitation, or instructional materials in design methodologies will also be considered.
ART 4030 Jewelry, Metals, Impressions, and Casting	Earned Masters and/or Doctorate in Fine Art, Studio Art or Art Education; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline.	Sculpture, Welding	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 4090 Ceramics III	Earned Masters and/or Doctorate in Fine Art, Studio Art; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.

ART 4120 Advanced Graphic Design	Earned Masters and/or Doctorate in Fine Art,Graphic Design; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 4150 Sculpture III	Earned Masters and/or Doctorate in Fine Art, Studio Art; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 4170 Advanced Photography	Earned Masters and/or Doctorate in Fine Art, Studio Art; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 4210 Advanced Painting I	Earned Masters and/or Doctorate in Fine Art, Studio Art; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 4340 Art History III	Earned Masters and/or Doctorate in Fine Art,Art Education; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in Art Education, or related field.	Art and Architectural History, Classical Art and Archaeology, Design, History & Criticism of Art, History and Art History,History of Decorative Arts, Humanities, Painting	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 4400 Intro/Desktop Publishing	Earned Masters and/or Doctorate in Fine Art, Art or a closely related field; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 4450 Entrepreneurship in the Arts	Earned Masters and/or Doctorate in Fine Art, Art or a closely related field; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 4490 Portfolio Seminar	Earned Masters and/or Doctorate in Fine Art, Art or a closely related field; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 4500 Senior Project I	Earned Masters and/or Doctorate in Fine Art, Art or a closely related field; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.

ART 4520 Advanced Printmaking	Earned Masters and/or Doctorate in Fine Art, Studio Art; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 4550 African-American Art II	Earned Masters and/or Doctorate in Fine Art, Art History or a closely related field; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline discipline.	Art and Architectural History, Classical Art and Archaeology, Design, History & Criticism of Art, History and Art History,History of Decorative Arts, Humanities, Painting	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART 4720 Enhanced Student Teaching in Elementary and Secondary School	Earned Masters and/or Doctorate in Fine Art, Art Education or a closely related field; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline.	Education	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
ART Multi Course Multi-Course Proposal	Earned Masters and/or Doctorate in Fine Art,Art; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in the teaching discipline.	Art Design & Technology, Studio & Visual Arts, Digital Arts, Drawing & Illustration, Electronic Integrated Media, Graphic Design, Media Studies, or related fields	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
DIGN 2010 Environmental Design (current title); Introduction to Design (proposed title)	Earned Masters and/or Doctorate in Fine Art, Art Education, Graphic Design, Architecture; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in a related field.	Architecture, Architectural Design, Graphic Design, and Environmental Design	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
DIGN 2200 Sustainability Living	Earned Masters and/or Doctorate in Fine Art, Art Education, Graphic Design, Architecture; or a Masters or Doctorate in the teaching discipline with at least 18 graduate semester hours in a related field.	Architecture, Architectural Design, Graphic Design, and Environmental Design	Acceptable alternative qualifications include substantial professional experience (e.g., publications, awards, exhibitions, commissions) in art or a related discipline, relevant professional licensure/certifications, and notable scholarly work such as published articles or conference presentations in art related fields.
