# Post-Graduate Employment

This report provides a summary of a portion of TSU alumni about their career path, specialized skill, top companies they joined.

To view a graph larger, click on the graph and then click on the focus mode icon in the top right corner above the chart. This will enlarge the graph to full screen.

**Filter** Data by skill, percentage, number of Alumni Etc... on a page from the panel on the right. From there select the filters you want to apply to the page.

If a graph has drill down capability to show additional detail, an arrow will be visible in the top right corner above the chart. Click on this icon once to enable drill down functionality. Once it is enabled, click on the graph to drill to detailed data. The arrow on the top left corner of the chart returns the chart view to the higher aggregate view level.

To export data, click on the graph and then click on the more options icon in the top right corner above the chart. This will prompt you to select a location to save the generated .csv file of the data.
