TENNESSEE STATE UNIVERSITY

TSU Content Validity Protocol – **For each EPP created assessment**

COMPLETE INITIAL RUBRIC REVIEW

Select panel of expert reviewers based on their:

Minimum of 4 Experts:

1 from the program
1 outside the program
1 practitioners from field

Content expertise ⟷ Practitioner experiences

Create the response form for each internally-developed assessment/rubric.

Create Assessment Packet overview purpose, operational definitions, and response forms to include:

a) Assessment Instructions provided to candidates

b) Rubric used to evaluate assessments

c) Response form for panel member to rate each item

Collect the response data from panel participants for each developed rubric

COE Assistant Dean of Assessment will generate a Content Validity Index (CVI)

Helpful notes:
Consider making an electronic version of the response form. Paper copies are also okay!

PILOT REVISED RUBRIC
