# High Performance Computing (HPC) Competition

2022 Winter Classic: First Results Are In
Tennessee State University took the win in the third round

A team of students from the Department of Electrical and Computer Engineering Win the third round in the HPC-HPL & HPCG Competition

"The HPCG results were a great story. Tennessee State University took the win by either a highly skilled approach or luck. Watch the video to see what they did to top the other teams by 30% and more." Here's the link:
