

The West Tennessee New Farmer Academy is a 7-month certificate program designed for those with an interest in becoming agricultural entrepreneurs.

Ideal candidates for this program include those who are new to agriculture, those who wish to transition into agriculture from another field, such as military service or private sector work, or those who are looking for a post retirement opportunity.

The program focuses on teaching concepts, providing information, and facilitating the hands-on experience and connections needed to build a solid, viable and successful agricultural business. Also, NFA is TEAP approved for Application A certificates issued 2018 or afterwards.

Plan your farm for profit and recreation.
