

Academic Committee – Chair: Dr. Sagnika Ghosh

Academic Committee (formerly Academic Subcommittees I and III) The Academic Committee shall review academic regulations and procedures of the University specifically relating to Faculty teaching and is a standing committee charged with the following tasks:

- recommending policy and procedural changes that directly affect the Faculty and teaching and measures for improvement of instruction
- recommending policy and policy changes on such matters as academic standards, admissions, registration procedures and policies, and advisement and attendance procedures and policies
- referring appropriate issues to the Graduate and Undergraduate Councils and such subcommittees as they may establish.
