

## Alumni Relations and Development Committee – Chair: Dr. Twainie Roberts

The Alumni Relations and Development Committee is a standing committee charged with the following tasks:

- advising and consulting with university officials concerning alumni programs, alumni relations, and fundraising 30
- advancing the goals of creating and cultivating a culture of philanthropy and engaging alumni and other constituencies in a lifelong, worldwide TSU community
- advising and supporting the Division of University Relations and Development in policies and procedures and assesses University Relations and Development services, programs, and communications
- ensuring constituents have a greater sense of affiliation to the university and to foster greater connections between alumni and current students.
