

Budget Committee-Chair: Dr. Reynard McMillian

The Budget Committee shall collaborate with the University administration in developing and reviewing the annual University budget and is a standing committee charged with the following tasks:

- providing for campus-wide Faculty input into the University budgeting process
- encouraging the use of Faculty expertise in budget matters
- informing the Faculty, through the Senate, concerning budget matters. Both long-range and short-term aspects will receive the committee's attention, including budget priorities and TBR formulas.
