

Academic Committee – Chair: Dr. Reynard McMillian

The Budget Committee shall collaborate with the University administration in developing and reviewing the annual University budget and is a standing committee charged with the following tasks:

providing for campus-wide Faculty input into the University budgeting process • encouraging the use of Faculty expertise in budget matters

informing the Faculty, through the Senate, concerning budget matters.

Both long-range and short-term aspects will receive the committee's attention, including budget priorities and TBR formulas.
