

Research Committee –Chair: Dr. Venkataswarup Tiriveedhi vtirivee@tnstate.edu

The Research Committee is a standing committee charged with the following tasks:

- advocating research in all Units
- advocating dissemination of research results within the University and to the academic community
- advocating fairness and efficiency in proposal reviews and approval at the University level
- providing Faculty oversight for the University Institutional Review Board
- advocating fairness and best practices concerning scholarly student research, such as graduate theses and dissertations, and undergraduate “capstone” projects
- advocating recognition of Faculty involved in research endeavors.
