

Spring Commencement

In order to participate in the commencement ceremony, the Office of Academic Affairs will enforce the commencement policy as stated,

No one walks across the stage with any of the following:

- Apply by March 15th via MyTSU
- Deficient number of hours or grade point average
- Unprocessed incomplete grades or grade changes
- Comprehensive exam retakes for a future semester
- Pending defense dates for thesis or dissertation

Therefore, consult with your advisor if you have any questions about your program. Certificate students will not participate in the commencement ceremony. In addition, graduate level students do not have academic honors recognition because you are required to maintain a level of excellence. Feel free to [email](#) Ramona Whitworth Wiggins for any questions. May you continue to *“Think. Work. Serve.”*

Sincerely,

Ramona Whitworth-Wiggins, Graduate Analyst, II
