<sup>1</sup>The counts of graduates within the chart includes the unduplicated number of students awarded a STEM degree for the term. If a student received more than one of the same credential category within the term, the student is counted only once for the term. If a student received multiple STEM credentials within different categories, the student is counted for the term within each credential category received. STEM degrees include majors within the College of Agricultural Sciences, College of Life & Physical Sciences, and College of Engineering.
